# EMPLOYMENT MASTERCLASS

## Automatic Unfair Dismissal

Register via  
Eventbrite

Wednesday  
29th March  
13:00-14:00

Online via  
Zoom

## ABOUT THE SESSION

In what circumstances is an employment dismissal regarded as automatically unfair? This includes the "whistle blowing" legislation but includes far more circumstances involving dismissals. There are a number of technical avenues open to employees recently dismissed that advisers should be aware of. This session will focus on those dismissals that employers cannot legally justify as fair.
