

I am Ukrainian. Can I be a sponsor under the Homes for Ukraine Sponsorship Scheme?

At a glance

Ukraine Scheme visa holders are eligible to apply to become a 'sponsor' under the Homes for Ukraine (sponsorship) scheme.

This paper provides answers to frequently asked questions about this process.

1. I am Ukrainian. Can I apply to be a sponsor?

You are eligible to be a sponsor in your own right if:

- You are 18 years or older; and
- You have at least six months' permission to stay in the UK.

If you have received a Biometric Residence Permit that states 'Ukraine Scheme', you are eligible to apply. For example, if you obtained a visa under the Homes for Ukraine scheme or the Ukraine Extension Scheme, you can now apply to become a sponsor. However, if you only have a 6 month UK Entry Stamp, you cannot become a sponsor until you have obtained the full three-year visa.

To be eligible to be a sponsor, you must also meet other requirements including:

3. Who can I sponsor?
